

# ASSISTED LIVING & MEMORY CARE FACILITIES

These facilities provide 24/7 oversight to ensure health and happiness for those who can no longer care for themselves. Assisted Living proceeds to Memory Care as condition worsens. There are many facilities to choose from with different levels of care and a variety of settings and services.

## SAN JOSE GARDENS

We create warm and welcoming environments where individuals living with dementia feel valued. We believe that love is the key to unlocking the potential for joy and fulfillment in the lives of individuals living with dementia. As a team dedicated to dementia care we are committed to providing compassionate loving care that promotes physical, spiritual, emotional and mental health.
